

Operating Engineers Local 148 Stationary Engineers Training Program

This is a two year comprehensive training program for persons interested in becoming a Stationary Engineer. Classes are held Mondays and Wednesdays or Tuesdays and Thursdays from 5:30 p.m. to 8:30 p.m. at Local 148 training facility located at 2929 South Jefferson Ave. St Louis, MO 63118.

Upon successful completion of this course, the graduate will be qualified to sit for the examination for their Class-1 Stationary Engineer's license, administered by the Board of Engineers.

The cost of the class is \$1400.00 per year for Local 148 members, \$2800.00 per year for non-members. The class year runs from September through May. Books will be an addition cost.

For more information about the class or to discuss a payment plan please call Local 148 Union Hall at 314-865-1300 ext. 101
